[Education Resources](#) [3]

[Tools for Schools](#) [4]

Educate and inspire your students with our free classroom tools and climate programs.

School Climate Consortium

[The School Climate Consortium \(SCC\)](#) [5] is an innovative national collaborative of youth-serving nonprofits, community-based organizations and local education agencies unified by a common guiding principle: positive school climate is essential to creating an environment in which youth learn and thrive.

[Newsletter](#) ^[14]

Social change is an ongoing process, one born of continual collaboration between groups as diverse as the challenges they take on together.

The Capital Unity Council's work reaches beyond The Center's walls. Fostering unity through social change is an ongoing process, one born of continual collaboration between groups as diverse as the challenges they take on together. Help sustain this collaboration by signing up for our monthly newsletter, **Unity Center NEWS**.

[Unity Tools Framework](#) ^[15]

Pedagogical Framework for The UNITY Lab

The UNITY Lab creates transformational experiences where people learn about the consequences of

prejudice and violence, practice tools that foster harmony, and make choices that empower themselves and others to build unity. Get the concrete details on this pedagogical framework below.
